Review Report on financial results of M/s DME Development Limited, Pursuant to the regulations 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulation 2015 for the Quarter Ended 31st December 2023

To, The Board of Directors, M/s DME Development Limited

We have reviewed the accompanying statement of unaudited standalone financial results of DME Development Limited ("the Company") for the quarter ended 31st December' 2023 ("the Statement") attached herewith, being submitted by the company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulation 2015.

This statement is the responsibility of the Company's Management and has been approved by the Board of Directors. It has been prepared in accordance with the recognitions and measurement principles laid down in the Indian Accounting Standard (Ind AS 34) "Interim Financial Reporting" prescribed under section 133 of the Companies Act' 2013 read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to issue a report on these financial statements based on our review.

We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, Review of Interim Financial Information performed by the Independent Auditors of the entity issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance

than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Basis for Qualified Opinion

- 1. Based on information provided by management, it has come to our attention that the company holds the assured right to receive annuity as per the terms outlined in the Concession Agreement dated 05.02.2021 with NHAI. This entitlement to annuity is set to commence upon the completion of the project or relevant section of the highway, as deemed complete upon the issuance of the Completion Certificate or the Provisional Certificate. We have obtained the copy of concession agreement and the project progress report although the specific quantum of annuity is yet to be determined through mutual agreement between the company and NHAI. Consequently, we are currently unable to comment upon the revenue amount pertaining to the completed project, which is required for accrual in accordance with the accounting policy, and its corresponding impact on the statement of profit & loss. We recommend that management shall revisits the revenue recognition policies to ensure alignment with the terms outlined in the agreement with NHAI and compliance with IND AS 115.
- 2. Based on the concession agreement, the company holds a concession right for the Delhi-Mumbai Expressway for 20 years, enabling it to recover debts, including interest and other related expenses, through annuity payments upon project completion. As certain sections of the project have reached completion with acquisition of completion certificates and right to collect tolls/tariffs from the public has been granted, we recommend classifying these completed segments as Intangible Assets, recorded at cumulative construction cost. Additionally, projects that are still under development should be recognized as Intangible Assets under Development.

Qualified Conclusion

Based on our review, with the exception of the matter described in the preceding paragraph, nothing has come to our attention that causes us to believe that the accompanying interim financial information does not give a true and fair view of (or "does not present fairly, in all material respects,") the financial position of the entity as at December 31, 2023, and of its financial performance and its cash flows for the three-month period then ended in accordance with applicable accounting standards and measurement principles laid down in applicable Indian Accounting Standards (Ind AS) prescribed under section 133 of the Companies Act' 2013 and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulation 2015 including the manner in which it is to be disclosed or that it contains any material mis-statement.
