M/s Nityanand Singh & Co. has been Peer Reviewed and Quality Reviewed by the Institute of Company Secretaries of India (ICSI), ensuring the highest standards in professional practices.

M/s Nityanand Singh & Co., has confirmed that the firm is not disqualified and is eligible to be appointed as Secretarial Auditors in terms of Regulation 24A of the SEBI Listing Regulations. The services to be rendered by M/s Nityanand Singh & Co. as Secretarial Auditors is within the purview of the said regulation read with SEBI circular no. SEBI/ HO/CFD/CFD-PoD-2/CIR/P/2024/185 dated December 31, 2024.

The proposed fees in connection with the secretarial audit shall be Rs. 1,65,000/- (Rupees One Lakh Sixty Five thousand only) plus applicable taxes and other out-of-pocket expenses for 5 years payable on yearly basis as per the quoted amount for FY 2025-26 to 2029-30.

The Board recommends the Ordinary Resolution as set out in Item No. 4 of this Notice for approval of the Members. None of the Directors and/or Key Managerial Personnel of the Company and/or their relatives are concerned or interested, in the Resolution set out in Item No. 4 of this Notice.

**Item No. 5: Re-appointment of Smt. Sudha Damodar (DIN: 07755170) as an Independent Director of the Company**

Smt. Sudha Damodar (DIN: 07755170) is currently an Independent Director of the Company, Chairperson of the Risk Management Committee and Nomination & Remuneration Committee. She is also the Member of Stakeholders Relationship Committee and Audit Committee.

Smt. Sudha Damodar was appointed as an Independent Director of the Company by the Board at their meeting held on 23.12.2022 and subsequently regularized at the 2<sup>nd</sup> Annual General Meeting of the Company held on December 26, 2022 for a period of 3 (three) consecutive years commencing from December 23, 2022 upto December 22, 2025 (both days inclusive) and is eligible for re-appointment for a second term on the Board of the Company.

Based on the recommendation of the Board of Directors at its meeting held on December 16, 2025, proposed the re-appointment of Smt. Sudha Damodar as an Independent Director of the Company

for a second term of 1 (One) year commencing from December 23, 2025 upto December 22, 2026 (both days inclusive), not liable to retire by rotation, for the approval of the Members by way of a Special Resolution.

The Board taking into consideration the skills, expertise and competencies required for the Board in the context of the business and sectors of the Company and based on the performance evaluation, concluded and recommended that Smt. Sudha Damodar's qualifications and the rich experience of over three decades in the abovementioned areas meets the skills and capabilities required for the role of Independent Director of the Company. The Board is of the opinion that Smt. Sudha Damodar continues to possess the identified core skills, expertise and competencies fundamental for effective functioning in her role as an Independent Director of the Company and her continued association would be of immense benefit to the Company.

The Company has in terms of Section 160(1) of the Companies Act, 2013 ('the Act') received a notice from a Member proposing her candidature for the office of Director. The Company has received a declaration from Smt. Sudha Damodar confirming that she continues to meet the criteria of independence as prescribed under Section 149(6) of the Act, read with the rules framed thereunder and Regulation 16(1)(b) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('SEBI Listing Regulations'). In terms of Regulation 25(8) of the SEBI Listing Regulations, Smt. Sudha Damodar has confirmed that she is not aware of any circumstance or situation which exists or may be reasonably anticipated that could impair or impact her ability to discharge her duties.

Further, Smt. Sudha Damodar has confirmed that she is not disqualified from being appointed as Director in terms of Section 164 of the Act and has given her consent to act as Director in terms of Section 152 of the Act, subject to re-appointment by the Members. Smt. Sudha Damodar has also confirmed that she is in compliance with Rules 6(1) and 6(2) of the Companies (Appointment and Qualifications of Directors) Rules, 2014, with respect to her registration with the data bank of Independent Directors maintained by the Indian Institute of Corporate Affairs ('IICA'). Smt. Sudha Damodar is exempt from the requirement to undertake online proficiency self-assessment test conducted by IICA.

In the opinion of the Board, Smt. Sudha Damodar fulfils the conditions specified in the Act, rules thereunder and the SEBI Listing Regulations for re-appointment as an Independent Director and that she is independent of the Management.

In compliance with the provisions of Section 149 read with Schedule IV to the Act, Regulation 17 of the SEBI Listing Regulations and other applicable provisions of the Act and SEBI Listing Regulations, the re-appointment of Smt. Sudha Damodar as an Independent Director is now placed for the approval of the Members by a Special Resolution.

The Board commends the Special Resolution set out in Item No. 5 of the accompanying Notice for approval of the Members.

None of the Directors or Key Managerial Personnel ('KMP') of the Company or their respective relatives, except Smt. Sudha Damodar and her relatives, are concerned or interested, financially or otherwise, in the resolution set out at Item No. 5 of the accompanying Notice.

Disclosures as required under Regulation 36(3) of the SEBI Listing Regulations and Secretarial Standard-2 on General Meetings issued by the Institute of Company Secretaries of India are annexed to this Notice.

**Item No. 6: Re-appointment of Sh. Rajesh Ranjan (DIN: 10094828) as an Independent Director of the Company**

Sh. Rajesh Ranjan (DIN: 10094828) is currently an Independent Director of the Company, Chairperson of the Audit Committee, Stakeholders Relationship Committee and Corporate Social Responsibility Committee. He is also a Member of the Nomination & Remuneration Committee.

Sh. Rajesh Ranjan was appointed as an Independent Director of the Company, w.e.f., 15.04.2023, by the Board at their meeting held on 13.04.2023 and subsequently regularized at the 3<sup>rd</sup> Annual General Meeting of the Company held on December 27, 2023 for a period of 3 (three) consecutive years commencing from April 15, 2023 upto April 14, 2026 (both days inclusive) and is eligible for re-appointment for a second term on the Board of the Company.

Based on the recommendation of the Board of Directors at its meeting held on December 16, 2025, proposed the re-appointment of Sh. Rajesh Ranjan as an Independent Director of the Company for a second term of 1 (One) year commencing from April 15, 2026 upto April 14, 2027 (both days inclusive), not liable to retire by rotation, for the approval of the Members by way of a Special Resolution.

The Board taking into consideration the skills, expertise and competencies required for the Board in the context of the business and sectors of the Company and based on the performance evaluation, concluded and recommended that Sh. Rajesh Ranjan's qualifications and the rich experience of over 20 years in the abovementioned areas meets the skills and capabilities required for the role of Independent Director of the Company. The Board is of the opinion that Sh. Rajesh Ranjan continues to possess the identified core skills, expertise and competencies fundamental for effective functioning in his role as an Independent Director of the Company and his continued association would be of immense benefit to the Company.

The Company has in terms of Section 160(1) of the Companies Act, 2013 ('the Act') received a notice from a Member proposing his candidature for the office of Director. The Company has received a declaration from Sh. Rajesh Ranjan confirming that he continues to meet the criteria of independence as prescribed under Section 149(6) of the Act, read with the rules framed thereunder and Regulation 16(1)(b) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('SEBI Listing Regulations'). In terms of Regulation 25(8) of the SEBI Listing Regulations, Sh. Rajesh Ranjan has confirmed that he is not aware of any circumstance or situation which exists or may be reasonably anticipated that could impair or impact his ability to discharge his duties.

Further, Sh. Rajesh Ranjan has confirmed that he is not disqualified from being appointed as Director in terms of Section 164 of the Act and has given his consent to act as Director in terms of Section 152 of the Act, subject to re-appointment by the Members. Sh. Rajesh Ranjan has also confirmed that he is in compliance with Rules 6(1) and 6(2) of the Companies (Appointment and Qualifications of Directors) Rules, 2014, with respect to his registration with the data bank of Independent Directors maintained by the Indian Institute of Corporate Affairs ('IICA').

In the opinion of the Board, Sh. Rajesh Ranjan fulfils the conditions specified in the Act, rules thereunder and the SEBI Listing Regulations for re-appointment as an Independent Director and that he is independent of the Management.

In compliance with the provisions of Section 149 read with Schedule IV to the Act, Regulation 17 of the SEBI Listing Regulations and other applicable provisions of the Act and SEBI Listing Regulations,

the re-appointment of Sh. Rajesh Ranjan as an Independent Director is now placed for the approval of the Members by a Special Resolution.

The Board commends the Special Resolution set out in Item No. 6 of the accompanying Notice for approval of the Members.

None of the Directors or Key Managerial Personnel ('KMP') of the Company or their respective relatives, except Sh. Rajesh Ranjan and his relatives, are concerned or interested, financially or otherwise, in the resolution set out at Item No. 6 of the accompanying Notice.

Disclosures as required under Regulation 36(3) of the SEBI Listing Regulations and Secretarial Standard-2 on General Meetings issued by the Institute of Company Secretaries of India are annexed to this Notice.

## **DIRECTORS REPORT**

**Dear Members,**

Your directors are pleased to present the 5<sup>th</sup> Annual Report on the performance of your Company along with audited financial statements, Auditors' Report, Report of Secretarial Auditor and review of financial statements by the Comptroller and Auditor General of India for the Financial Year ended 31<sup>st</sup> March 2025.

### **ECONOMIC OVERVIEW**

India's road network, spanning over 63 lakh kilometers, with National Highways (NH) comprising 146,204 km, is critical to its economic development, connecting rural areas to urban centers, facilitating trade and commerce, and promoting regional development. The network has seen significant growth since 2014, reaching the second-largest in the world, and focuses on projects like expressways under the Bharatmala Pariyojana to improve efficiency, reduce travel times, and enhance economic growth.

With the rapid development and expansion of road networks across the country, investment opportunities in logistics parks, industrial clusters, and special corridors are rising at an exponential rate. India is continuing to invest in expanding and upgrading its road infrastructure to meet the growing demands of transportation and economic activities. The expanding road network is a key engine for economic progress, improving access to markets, jobs, and healthcare, thereby boosting social inclusion and economic productivity.

Road transport indeed plays a pivotal role in the economic development of a country, influencing various aspects such as trade, employment, industrial growth, and overall mobility. Efficient road infrastructure enables the swift movement of goods and people, which directly impacts sectors like agriculture, manufacturing, and services, thus enhancing productivity and fostering economic growth.

### **Background & Operations:**

DME Development Limited (DMEDL) was registered on 29<sup>th</sup> August, 2020 as a Special Purpose Vehicle (SPV) to finance the construction and operation of the Delhi–Mumbai Expressway as per the concession agreement executed between NHAI and DMEDL which covers a length of 1277 kilometers. The project is being executed in 52 packages, out of which 31 are under Engineering, Procurement and Construction model or EPC projects (Sohna–Vadodara segment) while the remaining 21 are Hybrid Annuity Model or HAM projects. The HAM Model is a hybrid or mixture of EPC Model and BOT Model in which the Government of India will pay 40% of the project cost in tranches linked to milestones, while the balance 60% cost will be arranged by the contractors.

The Delhi-Mumbai Expressway is a landmark project that will drastically reduce travel time between two of India's largest cities and improve overall connectivity in the country. As a part of the broader Bharatmala Pariyojana (National Highways Development Project), it will not only provide a faster route for vehicles but also stimulate economic growth, improve logistics, and contribute to regional development in multiple states. With its advanced design and expected impact, the expressway is poised to be a game-changer for transportation in India.

### **Progress and Status of Project**

The Delhi–Mumbai Expressway is one of India's most ambitious infrastructure projects, spanning approximately 1,386 kilometers and aiming to significantly reduce the travel time between the

national capital, Delhi, and the financial capital, Mumbai. The expressway traverses six states—Delhi, Haryana, Rajasthan, Madhya Pradesh, Gujarat, and Maharashtra—and is designed as an eight-lane access-controlled greenfield expressway, with provisions to expand to 12 lanes in the future. Once fully operational, the expressway is expected to cut travel time between Delhi and Mumbai from the current 24 hours to just 12 hours, reducing the overall distance by about 180 kilometers through a straighter, high-speed alignment.

As of October 2025, approximately 82% of the physical construction of the expressway has been completed, amounting to over 1,130 kilometers of built road. Of this, around 756 kilometers are already operational and open to vehicular traffic. Key stretches currently in use include the corridor from Sohna in Haryana to Sawai Madhopur via Dausa in Rajasthan, along with significant sections in Madhya Pradesh and Gujarat. The Vadodara–Bharuch section in Gujarat is also operational. These operational segments have already started to ease regional connectivity and have brought significant time and cost savings to both passenger and freight traffic in those regions.

The expressway remains a cornerstone of India's infrastructure modernization agenda. Once fully completed, the Delhi–Mumbai Expressway is expected to drastically improve inter-state logistics, reduce vehicular emissions through more efficient travel, and stimulate economic development along its corridor. Authorities continue to monitor and push progress on the lagging sections, with the goal of achieving phased completion through 2026.

**Secretarial Auditors' observation(s) in Secretarial Audit Report and Management's responses thereto:**

<b>Management Replies to the observations provided in Secretarial Audit Report:</b>		
<b>S. No.</b>	<b>Observations</b>	<b>Reply by Management</b>
1.	Statement as prescribed under Rule 8(5)(X) of Companies (Accounts) Rules, 2014 in respect of Prevention of Sexual Harassment of Women at Workplace Act, 2013 has not been made in the Directors Report for financial year 2023-24.	<p>The Company has addressed this matter in the Directors' Report for financial year 2023–24 by stating that the said Act is not applicable to the Company, as the number of employees during the year was below the threshold of 10, as specified under the Act. Since the Act was not applicable due to employee count being below the prescribed limit, the same was appropriately explained in the Report.</p> <p>Also, as the Company is a wholly owned subsidiary of the National Highways Authority of India (NHAI), which has a duly constituted authority and mechanisms in place to address complaints of sexual harassment in line with the Act, any aggrieved person can approach NHAI's Internal Complaints Committee for redressal, if required.</p> <p>However, the Company acknowledges the importance of clear and explicit compliance statements and will ensure the language used in future disclosures is aligned more directly</p>

		with the requirements of the Rule to avoid any ambiguity.
2.	Non- disclosure of information as prescribed in Regulation 7 (1) of SEBI (Prohibition of Insider Trading) Regulations, 2015 at the time of appointment of Director during the period under audit.	It may please be noted that none of the Directors and Key Managerial Personnel hold any shares in the Company at the time of appointment, nor was there any trading in the Company's securities or access to unpublished price sensitive information (UPSI) involved.

### **Directors Appointment & Remuneration:**

In accordance with the Articles of Association of the Company, the National Highways Authority of India (NHAI) and the Ministry of Road Transport and Highways (MoRTH) have the right to appoint Directors to the Board of the Company. The Directors are nominated by NHAI from among its officers, who are employees of NHAI/MoRTH, and their salaries are paid by NHAI.

In addition to NHAI, MoRTH also appoints Directors to the Board. These Directors, being employees or officers of the respective appointing bodies, are governed by the applicable service rules of their parent organizations. The Company does not pay any salary or remuneration to its Directors.

### **Evaluation of Board's performance:**

Performance of each Board Member is evaluated based upon attendance to Board or Committee Meetings, positive contribution in the meetings and overall strategic planning.

### **Particulars of Loans, Guarantees or Investment u/s 186 of the Companies Act, 2013:**

Your Company is engaged in Infrastructure Sector, as stated in the Schedule VI to the Companies Act, 2013. By virtue of the provisions of Section 186(11), the provisions of Section 186, read with the Companies (Meeting of the Board and its Powers) Rules, 2014, as amended from time to time, relating to loan made, guarantee given or security provided, do not apply to your Company.

### **Particulars of Contracts or Arrangements with Related Parties referred to in section 188(1) of the Companies Act, 2013:**

A Related Party Transactions Policy has been devised by your Company for, inter alia determining the materiality of transactions with related parties and dealings with them in line with the requirements of the SEBI Listing Regulations and it intends to ensure that proper reporting, approval and disclosure processes are in place for all transactions between the Company and Related Parties.

The said Policy is available on your Company's website, [www.dmedl.in](http://www.dmedl.in) and a link to the said Policy has been provided elsewhere in this Annual Report.

During the year under review, all related party transactions entered into by the Company, were approved/ratified by the Audit Committee and were at arm's length and in the ordinary course of business and were in compliance with the applicable provisions of the Companies Act, 2013 and SEBI Listing Regulations.

Further, during the year under review, there are no materially significant related party transactions entered by the Company with Promoters, Directors, Key Managerial Personnel or other Designated Persons which may have a potential conflict with the interest of the Company at large. Members may refer to the Notes to the Financial Statements for details of Related Party Transactions. All

transactions entered into with Related Parties as defined under the Act and Regulation 23 of the SEBI Listing Regulations during the financial year were in the ordinary course of business and on an arm's length basis and do not attract the provisions of Section 188 of the Act and hence there is no requirement of attaching AOC 2.

**Material changes and commitments, if any, affecting the financial position of the Company which have occurred between the end of the Financial Year of the Company to which the financial statements relate and the date of the report:**

As of the date of the Board Report, there have been no material changes or commitments that have occurred between the end of the Financial Year on March 31, 2025, and the date of the report, which would have a significant impact on the financial position of the Company. However, as on the date of this report, the Company has fully repaid all its Rupee Term Loan obligations, and there are no outstanding balances in this regard.

Also, the Company has partially redeemed its Bonds (NCDs) after the closure of Financial Year. The details of outstanding Bonds as on 11.12.2025 are as under:

**MANAGEMENT DISCUSSION AND ANALYSIS****I. ECONOMY OUTLOOK****Global Economy**

Global economic activity is expected to maintain modest but uneven momentum over the next two years. According to World Economic Outlook-IMF, July 2025, global real GDP growth is projected to decelerate to 3.0% in 2025 and recover marginally to 3.1% in 2026, following a 3.3% expansion in 2024. This slowdown reflects rising trade frictions, geopolitical tensions, policy uncertainty, and inflation divergence. Growth is increasingly fragmented, with developed economies showing signs of fatigue while emerging markets display varied resilience.

In advanced economies, real GDP growth is expected to moderate to 1.5% in 2025 and 1.6% in 2026, compared to 1.8% in 2024. The US, in particular, is expected to decelerate from 2.8% in 2024 to 1.9% and 2.0% in the following two years. Elevated tariffs, softening labor markets, subdued private investment, and weakening consumer demand are contributing to this moderation.

Geopolitical risks continue to cast a shadow over the global outlook. Ongoing conflicts such as the Russia-Ukraine and Israel-Hamas wars have disrupted energy and food markets, fueling inflation and supply chain instability. Meanwhile, the US-China trade relationship remains a key risk factor, with potential shifts in sourcing patterns and tariff regimes.

Structural headwinds are expected to weigh on growth, even as the Asia-Pacific region emerges as a long-term driver of global expansion. The possibility of a weakening US dollar, driven by narrowing interest rate differentials, is counterbalanced by its continued dominance as a reserve currency.

Adding to the uncertainty is the political transition in the United States, with the return of President Donald Trump in January 2025. The evolving trade and economic policies of the new administration are expected to shape the trajectory of global markets in the near term.

**Domestic Economy & Outlook**

India's economy continues to show impressive growth and resilience. From ranking 11th in global GDP in 2009, it is projected to rise to 4th by the end of 2025. This progress is driven by strong domestic demand, a young digital workforce, and effective policy measures.

Despite global challenges like high interest rates and geopolitical tensions, India's GDP grew by 6.5% for the full year, with 7.4% growth in Q4. Private consumption remained strong, rising 7.2% annually, while investments also rebounded, with gross fixed capital formation up 9.4% in Q4.

Exports slowed in Q4 due to global trade risks but still grew 6.3% for the year, mainly due to robust services exports. This helped narrow the current account deficit to -0.6% of GDP, the lowest since FY2016-17.

Government spending was restrained, rising just 2.3% for the year, helping to reduce the fiscal deficit to 4.8% of GDP. Early FY2025–26 data shows continued fiscal discipline.

Inflation dropped to 2.1% by June 2025, enabling a 100 basis point cut in policy rates between February and June.

These strong macroeconomic indicators lay a solid foundation for the future, with FY2025–26 GDP growth projected at 6.4% to 6.7%.

Deloitte forecasts India's GDP growth to range between 6.4% and 6.7% in FY2025–26, supported by easing inflation, resilient domestic demand, and proactive policy measures. Key drivers include the revival in private capital expenditure, a digitally skilled workforce, and the expansion of global trade corridors.

While higher US tariffs under the Trump administration may pose challenges for Indian exporters and consumers, strategic trade agreements and stronger intellectual property frameworks are expected to open new markets and attract investments.

Despite ongoing global uncertainties, India's structural strengths continue to position it as a major engine of global economic growth in the years ahead.

## II. INDUSTRY SECTOR AND OUTLOOK

### **Industry Overview**

The construction sector holds immense significance in India, contributing significantly to the country's economic activity and serving as a major source of employment across rural and urban areas. It has emerged as a vital pillar of India's economic development, demonstrating robust growth and considerable potential. The Indian construction industry is the second largest employment generator in India, next to agriculture, according to various reports. As the sector is expected to continue its expansion, employment opportunities are anticipated to increase, supporting the livelihood of significant portion of the workforce.

According to the provisional estimates of NSO, the construction industry accounted for approximately 9% of the overall Gross Value Added (GVA) for FY 2023-24, experiencing a real growth rate of 9.9% compared to the previous year. Notably, the construction industry was the fastest growing sector in the GVA in the last fiscal.

The construction sector's robust performance underscores its vital role in driving economic growth, creating employment opportunities, and fostering socio-economic development across the country. As India embarks on ambitious infrastructure projects and urbanization initiatives, the construction industry is poised to play an even more significant role in shaping the nation's future landscape. Continued investments in infrastructure development, coupled with supportive policies and innovation, will further strengthen the domestic construction sector.

### **Sector Outlook**

India has the second-largest road network in the world, spanning approximately 6.7 million kilometers. This network handles 64.5% of the country's freight and 90% of passenger traffic. Over the past decade, India's road infrastructure has expanded by 59%, significantly improving connectivity across cities, towns, and villages.

As of December 2024, the country has 146,195 kilometers of National Highways and 2,474 national high-speed corridors. In FY24, around 12,349 kilometers of National Highways were constructed. For FY25, the government has set a provisional target of building 10,421 kilometers of highways, reflecting a 15% decrease from the previous year due to delays in state clearances during the extended election period. Highway construction in India has grown at a compound annual growth rate (CAGR) of 9.3% between FY2016 and FY2024.

There are currently 202 national highway projects under implementation, covering a total length of 6,270 kilometers and valued at ₹79,789 crore (US\$ 9.59 billion). Up to December FY25, the Ministry of Road Transport and Highways has awarded 3,100 kilometers of highway projects. As of February 2025, India had 1,825 road projects, out of which 826 were under public-private partnership (PPP) models.

Under the Union Budget 2024–25, the Government of India allocated ₹2.72 lakh crore (US\$ 32.68 billion) to the Ministry of Road Transport and Highways, reinforcing its commitment to further infrastructure development.

*Source: Ministry of Road Transport & Highways (MoRTH)*

Overall, the road construction sector in India is poised for sustained growth, driven by government initiatives, technological advancements, and a focus on sustainability and digitalisation. DMEDL is well-positioned to capitalise on these opportunities and contribute to the country's infrastructure development, enhancing connectivity and economic growth.

### III. BUSINESS & OPERATIONS

#### **COMPANY OVERVIEW**

DME Development Limited (DMEDL) was registered on 29<sup>th</sup> August, 2020 as a Special Purpose Vehicle (SPV) to finance the construction and operation of the Delhi–Mumbai Expressway as per the concession agreement executed between NHAI and DMEDL which covers a length of 1277 kilometers. The project is being executed in 52 packages, out of which 31 are under Engineering, Procurement and Construction model or EPC projects (Sohna–Vadodara segment) while the remaining 21 are Hybrid Annuity Model or HAM projects. The HAM Model is a hybrid or mixture of EPC Model and BOT Model in which the Government of India will pay 40% of the project cost in tranches linked to milestones, while the balance 60% cost will be arranged by the contractors.

The **Delhi-Mumbai Expressway** is a landmark project that will drastically reduce travel time between two of India's largest cities and improve overall connectivity in the country. As a part of the broader **Bharatmala Pariyojana** (National Highways Development Project), it will not only provide a faster route for vehicles but also stimulate economic growth, improve logistics, and contribute to regional development in multiple states. With its advanced design and expected impact, the expressway is poised to be a game-changer for transportation in India.

### IV. OUTLOOK

The outlook for the construction sector in India as well as in key international markets remains highly optimistic, with the industry positioned for strong and sustained growth over the coming years. In India, this momentum is being driven by a combination of structural and policy-based factors. Chief among these is the government's continued commitment to infrastructure development, evident in large-scale investments under initiatives such as the National Infrastructure Pipeline (NIP), Smart

Cities Mission and Gati Shakti Master Plan. These programs aim to modernize urban infrastructure, improve connectivity and create a robust foundation for future economic growth.

Rapid urbanization is also playing a pivotal role, with growing population density in cities increasing demand for residential, commercial, and public infrastructure. Alongside this, the broader economic expansion particularly in sectors like manufacturing, logistics, energy, and transportation is fueling the need for advanced industrial and civil infrastructure. The government's emphasis on "Make in India" and Production Linked Incentive (PLI) schemes is further boosting industrial activity, which, in turn, contributes to construction demand.

Additionally, the development of logistics and warehousing infrastructure, driven by the growth of e-commerce and global supply chain shifts, is opening new avenues for construction across Tier 1, 2, and even Tier 3 cities. The shift toward sustainable construction practices and adoption of advanced technologies such as digital engineering, prefabrication and green building solutions are also reshaping the industry and increasing its long-term resilience.

On the international front, targeted overseas geographies especially in regions like the Middle East, Southeast Asia, and parts of Africa present promising opportunities for Indian construction and infrastructure companies. These markets are witnessing increased infrastructure spending, urban development and demand for expertise in areas such as roads, metro systems, power transmission, and water management, aligning well with the capabilities and experience of Indian firms.

Overall, the combination of strong domestic fundamentals, supportive government policies, industrial growth and global expansion opportunities positions the Indian construction sector on a robust trajectory for the foreseeable future.

## **V. RISK MANAGEMENT**

Risk management is a cornerstone of your Company's growth strategy, equipping it to navigate challenges and seize opportunities with confidence and agility. The Company's approach is founded on a thorough understanding of the multifaceted risks it faces, underpinned by meticulously crafted policies and procedures that align with industry best practices. **[F] Conclusion:**

The post-issuance was carried out by a group of professionals with multiple years of experience in areas like ESG, Infrastructure, Banking and Finance.

CareEdge Advisory believes it has received sufficient information in the form of: (i) Allocation Reporting and (ii) Impact Reporting (As per Rule 3.1 and 3.2 of SEBI GDS Regulation Circular No.: SEBI/HO/DDHS/DDHS-RACPOD1/P/CIR/2023/023 dt. 6 February 2023) to form a basis of its conclusion.

Based on the Procedures performed (see sec. [D] above) and the evidenced obtained, nothing has come to CareEdge Advisory's attention that causes it to believe that the DMEDL's post-issuance for FY2024-2025 not aligned, in all material respects, with Rule 2 to Rule 4.4 of SEBI GDS Regulation Circular No.: SEBI/HO/DDHS/DDHS-RACPOD1/P/CIR/2023/023 dt. 6 February 2023. The same has been established in the attached report.

The said report is attached herewith as **Annexure 1.**

**[G] Restriction of Use**

CareEdge Advisory's Independent Third-Party Post-Issuance Review of Green Bonds including the conclusion has been prepared and addressed to the DMEDL's management at the request of the Company solely to assist the Company in post-issuance review.

Accordingly, CareEdge Advisory accepts no liability to anyone, other than the DMEDL. CareEdge Advisory's report(s) should not be used for any other purpose, other than those specified in the CareEdge Advisory's scope of work defined by the DMEDL.

CareEdge Advisory neither accepts nor assumes any duty of care or liability arising from any form of damage(s) arising from any third party.

## 1. Executive Summary

---

### Introduction:

DME Development Limited (DMEDL) a 100% owned Special Purpose Vehicle (SPV) of National Highways Authority of India (NHAI) was incorporated on August 29, 2020 under Companies Act, 2013 for Financing, Construction and Operation of Delhi-Mumbai Greenfield Expressway.

The Ministry of Road Transport & Highways (MoRTH) conveyed the approval for formation for SPV, wholly owned by NHAI, to implement Delhi Mumbai Expressway and also authorized NHAI to enter into a “Concession Agreement” and an “Implementation Agreement” with the SPV for development of Delhi-Mumbai Expressway.

DMEDL envisages through green finance, an opportunity to align its funding and sustainability strategy. To realize this opportunity, DMEDL has prepared Green Bond Framework to document how its green funding process will be developed in alignment with the **SEBI’s Non-Convertible Securities (NCS) Regulations, 2021<sup>1</sup>; International Capital Market Association’s (ICMA) Green Bond Principles (GBP), 2021<sup>2</sup>; and the Framework for Sovereign Green Bond (SGrB) issued by Department of Economic Affairs (DEA), 2022<sup>3</sup>.**

DMEDL, between December 11, 2024 and March 31, 2025, has deployed Rs. 775 crores of the green bond proceeds towards activities specified in green finance framework. These activities are part of the construction of a ‘Delhi – Mumbai Expressway’ project, approx. 1,312 km long, 8-lane wide (expandable to 12-lane) access-controlled expressway connecting India’s national capital New Delhi to its financial capital Mumbai. The entire approx. 1,312 km long Delhi–Mumbai Expressway has been divided into 4 sections with a total of 51 construction packages/tenders, where the length of each package is between 8 km to 46 km.

**Key Aspects of the Circular on Green Debt Securities, 2023:**

The SEBI introduced the circular on Green Debt Securities (GDS), effective from April 1, 2023, encourages all the issuers of green debt securities to mobilise funds for green activities, requiring board-approved policies, continuous disclosure requirements in annual report, mandating third-party verification and impact assessments.

Table 2: Key Aspects of Green Debt Securities, 2023 Circular

Key Features	Description
Purpose	To mobilise the funds towards green activities and projects, including renewable energy, green transport, and green buildings etc.
Effective Date	April 1, 2023
Applicability	All Issuers who have listed / propose to list green debt securities on recognised stock exchanges.
Interest	Interest-bearing green debt securities are earmarked for allocation towards green finance.
Disclosures	Continuous disclosure of allocation details, impact reporting and major elements of BRSR in annual reports.
Third-Party Verification	The use of green debt securities must be verified by an independent third party reviewer.

## 2. Opinion

Based on the evidence obtained and procedures performed (covering period from December 11, 2024, to March 31, 2025), nothing has come to CareEdge Advisory’s attention that causes to believe that the DMEDL’s Green Bond is not, in all material respects, in conformity with:

- SEBI Circular SEBI/HO/DDHS/DDHS-RACPOD1/P/CIR/2023/023, Rules 2 to Rule 4.4
- SEBI (Issue and Listing of Non-Convertible Securities) Regulations 2021, Chapter IX
- ICMA Green Bond Principles, 2021
- Framework for Sovereign Green Bond, 2022

DMEDL raised ₹775 Crores on December 9, 2024. As of March 31, 2025, the entire proceeds have been fully deployed. The utilization has been independently verified by M/s AAAG & Co. LLP (Registration No. 004924N). Allocation reporting and Impact reporting were found adequate and effective.

## 3. Documents Examined

As part of the post-issuance verification process, the key documents listed in Table 3 were reviewed to evaluate compliance with applicable green bond standards and requirements.

## 6. Allocation Reporting

The Table 7 summarizes use-of-proceeds details of DMEDL’s green bond, including the allocation of net proceeds, project eligibility, and funding status. As of March 31, 2025, Rs. 775 crores has been utilised, refer to **Annexure 2** for Statutory Auditor’s Certificate. The funded projects fully comply with SEBI’s green debt criteria, with no refinancing involved.

Table 7: Use-of-Proceeds Assessment

Component	DMEDL Status	Remarks
Net proceeds	Rs. 775 Crore	-
Allocated as at March 31, 2025 (December 11, 2024 - March 31, 2025)	Rs. 775 Crores	100% of proceeds have been utilised towards reimbursement of NHAI (parent entity of DMEDL).  Please refer to Pg. of 2 and 5 DMEDL’s Green Bond Framework.
Unallocated Proceeds	Not Applicable	DMEDL has used 100% of the proceeds from the green bond to

		reimburse (cost already incurred) the green activities expenditure incurred by NHAI. Unallocated fund is monitored by trustee.
<b>Projects funded</b>	Projects funded for green activities specified in DMEDL’s green finance framework for the construction of ‘Delhi – Mumbai Expressway’ project such as Median Lane Plantation, Streetlights on renewable energy, Natural Stormwater drainage, Rainwater harvesting etc.  Please refer <b>Annexure 3</b> for the detailed breakup of funding these green activities.	DMEDL has raised Rs. 775 Crores as on December 11, 2024 through Green Bonds. It has been utilised in selected packages. Refer <b>Annexure 3</b> . This amount has been utilised towards reimbursement to its parent entity NHAI’s expenses.
<b>Eligibility</b>	Meets SEBI NCS and GDS Regulations along with ICMA’s GBP and DEA’s Framework for Sovereign Green Bonds	Yes. Refer to <b>Table 5</b> and <b>Table 6</b>

## 7. Impact Assessment

### Reporting Metrics (KPIs Selected):

Impact assessment to be conducted on annual basis, and report to be published. Core indicators are considered as per DMEDL’s Green Bond Framework. Refer **Annexure 3** for Impact data (Performance against selected KPIs) as on March 31, 2025:

Table 8: Identified KPIs under framework

Sr. No.	KPI (weighted average)
1	Animal underpasses / animal overpasses
2	Median Lane Plantation
3	Avenue plantation / Arboriculture
4	Street lights on renewable energy (solar)
5	Natural stormwater drainage (including Lined and Unlined Drains)
6	Amrit Sarovar (Ponds) Construction
7	Waste Recycling – Fly Ash Utilization
8	Waste Recycling – Construction and Demolition waste (incl. inert / alternate material used)
9	Rainwater Harvesting

## 8. Management of Proceeds

- CareEdge Advisory has obtained evidences towards the presence of a separate escrow bank account for the proceeds received from the issue of Green Bonds. The account has been maintained with Canara Bank, New Delhi.
- The Finance Department of DMEDL is responsible for: (i) monitoring the fund inflow and; (ii) provide relevant information to the external auditors.

- Between December 11, 2024 and March 31, 2025, DMEDL has deployed Rs. 775 crores of the proceeds towards construction of the 'Delhi – Mumbai Expressway' project. Unallocated fund is monitored by trustee. The Debenture Trustee for this bond is '**SBICAP Trustee Company Limited**'.

## 9. BRSR Reporting

---

DMEDL's BRSR for the reporting period (December 11, 2024 – March 31, 2025) is aligned with SEBI Circular SEBI/HO/DDHS/DDHS-RACPOD1/P/CIR/2023/023. The report includes disclosures on all relevant major essential indicators as specified by SEBI, covering environmental performance data, intensity metrics, and related initiatives. The BRSR is included as part of **Annexure 4**.

## 10. Conclusion

---

Based on the procedures performed, nothing has come to our attention that causes us to believe DMEDL's Green Bond fails to meet the requirements of SEBI's GDS, 2023 Rule 2 to Rule 4.4 or diverges from the ICMA's GBP, 2021 and DEA's Framework of Sovereign Green Bonds, 2022:

- **Allocation Reporting** – Use-of-Proceeds allocations have been reviewed and confirmed to align accurately with the audited financial statements, ensuring consistency and transparency.
- **Impact Reporting** – Based on data provided by DMEDL, the project's impacts have been analysed, demonstrating positive outcomes against the identified KPIs.
- **BRSR** – DMEDL's BRSR for reporting period (December 11, 2024 – March 31, 2025) covers information on all the relevant major essential parameters as mandated by SEBI Circular SEBI/HO/DDHS/DDHS-RACPOD1/P/CIR/2023/023, including data on environmental performance (including waste, water and electricity etc.), intensity ratios, and associated initiatives.

CareEdge Advisory is of the opinion that DMEDL's (i) Allocation Reporting, (ii) Impact Reporting, and (iii) BRSR, as a part of their Annual Report are in line with extant market practices.

## Independent Auditor's Report

To the Members of

**M/s. DME DEVELOPMENT LIMITED**

### REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS

This revised Independent Auditor's Report is being issued in supersession of our earlier Independent Auditor's Report dated 06.08.2025. The revised report is being issued in view of the observations pointed out by the C&AG of India on our earlier report. Further, we confirm that there is no change in the opinion as expressed earlier and also none of the figures have undergone any change in the financial statements of the company as at 31<sup>st</sup> March, 2025.

#### Qualified Opinion:

We have audited the Financial Statements of DME DEVELOPMENT LIMITED ("the Company"), which comprise the Balance Sheet as at 31<sup>st</sup> March, 2025, and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of material accounting policies and other explanatory information (hereinafter referred to as "Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matter described in the Basis for Qualified Opinion section of our report, the aforesaid Financial Statements give the information required by the Companies Act' 2013 ("the Act") in the manner so required and give a true and fair view in conformity the Indian Accounting Standards prescribed under

section 133 of the Act read with Companies (Indian Accounting Standards) Rules, 2015, as amended (“Ind AS”) and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, losses (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

### **Basis for Qualified Opinion**

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the ‘Auditor’s Responsibilities for the Audit of the Financial Statements’ section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (“ICAI”) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our qualified opinion.

### **Description of Basis of Qualified Opinion**

#### **1. Amortization of Financial Assets**

In accordance with the principles laid down under Ind AS 115 *Revenue from Contracts with Customers* and Ind AS 109 *Financial Instruments*, the Company is required to recognize a financial asset to the extent it has an unconditional contractual right to receive cash or another financial asset from, or at the direction of, the grantor in exchange for construction under a service concession arrangement. Such financial asset shall be initially recognized at its fair value and subsequently measured at amortized cost using the effective interest rate (EIR) method, as prescribed under Ind AS 109.

However, it has been noted that the Company has not applied the EIR method for subsequent measurement and amortization of the said financial asset over its contractual term. As informed by the management, the amortization methodology and related accounting policy are yet to be finalized.

In the absence of this information, we are unable to quantify the amount of amortization required or assess its potential impact on the Statement of Profit and Loss.

## 2. Borrowing Cost

In accordance with the provision of paragraph 22 of Appendix C of Ind AS 115 and in line with Ind AS 23, the borrowing cost attributable to the arrangement shall be recognized as an expense in the period in which it is incurred unless the operator has a contractual right to receive an intangible asset (a right to charge users of the public services). Hence, the cost incurred on borrowing the loan needs to be charged to the Profit & Loss account instead of being capitalized.

However, the Company has capitalized borrowing costs amounting to Rs. 6,94,075.17 lakhs incurred up to August 2024 as part of the carrying amount of the financial asset recognized under the DME project. The capitalization of such borrowing costs is not in compliance with the above-stated accounting standards, as the Company does not have a right to charge users but instead receives annuity payments from NHAI. We further note that annuity payments commenced from September 2024, and borrowing costs incurred thereafter have been appropriately expensed to the Statement of Profit and Loss.

The management is of the view that the capitalization of borrowing costs is consistent with the Company's contractual rights and obligations under the DME project and in compliance with applicable Ind AS. However, in our opinion, the capitalization of borrowing costs up to August 2024 is not in accordance with the requirements of Ind AS 115 and Ind AS 23. Had the Company expensed such borrowing costs, the financial asset and retained earnings as at March 31, 2025, would have been lower by Rs.

6,94,075.17 lakhs, and loss for the year would have been higher by the corresponding amount.

### **3. Cash Flow Statement**

The cash flow statement prepared by the company is not in compliance with Ind AS-7 – Statement of Cash Flows. The company has not added back the net borrowing cost while computing operating profit/(loss) before working capital changes. Consequently, the net cash flow from financing activities overstated by Rs. 2,27,899.45 lakhs and net cash flow from investing activities understated by Rs. 59.91 lakhs. Had the cash flow statement been prepared in accordance with Ind AS-7, the cash flow from operating activities would have been Rs. (1,84,049.14) Lakhs, cash flow from financing activities Rs. 1,82,941.86 Lakhs and Cash flow from Investing Activity Rs. 59.91 Lakhs.

### **Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements for the year ended March 31, 2025. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

### **Description of Key Audit Matters**

#### **Revenue recognition**

As per Ind AS 115, revenue is to be recognized as control over the asset is transferred to the grantor and if the operator is entitled to annuity, revenue will be recognized over time based on the performance obligations satisfied during the period.

The Company has an assured right to receive annuities under the concession agreement dated 05.02.2021 with the NHAI. Under the concession agreement the company has received from NHAI the right, license, authority to construct, operate, manage, and maintain the Delhi Mumbai Expressway (DME) project for construction period of 3 years and operation & maintenance period of 17 years as a concessionaire. We have been provided copies of the concession agreement.

The company has an agreement with its sole shareholder, where it has the right to receive annuity in consideration of the rights transferred to the sole shareholder with respect to the management and operations of the Delhi Mumbai Expressway. The agreement stipulates that the Annuity be paid such as to service the debt service obligations of the company but is silent on determining event when performance obligations are fulfilled for recognition of revenue as per Ind AS 115. The management of the company has decided to recognize the revenue in line with the payments towards the debt service obligations.

### **Verification of Financial Assets**

As per the Implementation Agreement with NHAI dated 5<sup>th</sup> February 2021, NHAI is responsible for the expenditures related to the projects under construction. Since NHAI is incurring these expenses, the company is effectively financing NHAI for these costs. The total expenditure incurred by the company till 31<sup>st</sup> March, 2025 is Rs 47,25,945.73 Lakhs.

We have been informed by the management that the expenditure incurred on the project by NHAI is subject to audit by the Comptroller and Auditor General of India (CAG), and the same is being examined by them.

Further, the total amount of expenditure and the corresponding financial asset balance have been confirmed by NHAI and we have relied upon the said confirmation for the

purpose of our audit w.r.t. the amount of expenditure incurred and financial asset balance as at 31<sup>st</sup> March, 2025.

### **Information Other than the Financial Statements and Auditor's Report Thereon**

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management report, Chairman's statement, Director's report, Business Responsibility and Sustainability Reporting etc. but does not include the financial statements and our auditor's report thereon. The Management report, Chairman's statement, Director's report, Business Responsibility and Sustainability Reporting etc. is expected to be made available to us subsequent to this auditor's report.

Our opinion on the financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the Management report, Chairman's statement, Director's report, Business Responsibility and Sustainability Reporting etc., if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance under SA 720 'The Auditor's responsibilities Relating to Other Information'.

## **Responsibilities of Management and Those Charged with Governance for the Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

## **Auditor's Responsibilities for the Audit of the Standalone Financial Statements**

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error,

and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists,

we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

## Report on other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the **Annexure "A"** statement on the matters specified in paragraph 3 and 4 of the said Order, to the extent applicable.
  
2. As required by section 143(3) of the Act, we report that:
  - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - (b) In our opinion, proper books of account, as required by law, have been kept by the Company, so far as appears from our examination of those books, except for the matters stated in the paragraph 2(h)(vi) below on reporting under Rule 11(g).
  - (c) The Balance Sheet, the Statement of Profit and Loss including other comprehensive income, the Statement of Changes in Equity and the Statement of Cash Flow dealt with by this report are in agreement with the books of account.
  - (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act.
  - (e) Based on the written representations received from the directors and taken on record by the Board of Directors, we report that none of the directors is disqualified as on March 31, 2025 from being appointed as a director in terms of sub-section (2) of Section 164 of the Companies Act, 2013. However, it is further clarified that the provisions of Section 164(2) are not applicable to DMEDL, being a Government company, in view of the exemption granted vide Notification No. G.S.R. 463(E) dated 05.06.2015.
  - (f) The reservation relating to the maintenance of accounts and other matters connected therewith are as stated in paragraph 2(b) above on reporting under Section 143(3)(b) and paragraph 2(h)(vi) below on reporting under Rule 11(g).
  - (g) With respect to the adequacy of the internal financial controls with reference to standalone financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in **Annexure "B"**.

- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanation given to us:
- i. The company does not have any pending litigations which would impact its financial position.
  - ii. The company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
  - iii. There were no amounts which were required to be transferred to the investor's education and protection fund by the company.
  - iv. A). The Management has represented that, to the best of its knowledge and belief, as disclosed in the Note 49 to the financial statements, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;  
B). The Management has represented, that, to the best of its knowledge and belief, as disclosed in the Note 49 to the financial statements, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, as on the date of this audit report, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate

Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

C). Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.

v. According to the information and explanations given to us and on the basis of our examination of the records of the company:

A). The final dividend has not been declared and paid by the Company during the previous year.

B). The interim dividend has not been declared and paid by the Company during the year.

C). The Board of Directors of the Company have not proposed final dividend.

vi. Based on our examination, which included test checks, the Company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our examination, we did not come across any instance of audit trail feature being tampered with. Additionally, the audit trail of prior year, has been preserved by the Company as per the statutory requirements for record retention to the extent it was enabled and recorded in previous year as explained in Note 50 to the financial statements.

3. In our opinion, and according to the information and explanations provided, the provisions of Section 197 of the Companies Act, 2013 are not applicable to the Company, as no remuneration has been paid to its directors during the year. Additionally, DMEDL, being a Government company, is exempt from the applicability of Section 197 as per Notification No. G.S.R. 463(E) dated 05.06.2015. Accordingly, the question of compliance with Section 197 does not arise.

4. We are enclosing our report in terms of Section 143(5) of the Act, on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, in the **Annexure "C"** on the directions and sub-directions issued by the comptroller and Auditor General of India.

The Annexure referred to in our Independent Auditors' Report to the members of the Company on the Financial Statements for the year ended 31<sup>st</sup> March 2025, we report that:

- (i) (a) A) According to the information and explanations given to us and on the basis of our examination of the records, the company has no Property, Plant and Equipment's. Accordingly, the provisions stated under clause 3(i)(a)(A) of the order are not applicable to the company.
  - B) The Company has no intangible assets. Accordingly, the provisions stated under clause 3(i)(a)(B) of the order are not applicable to the company.
  - (b) The company has no Property, Plant and Equipment and intangible assets. Accordingly, the provisions stated under clause 3(i)(b) of the order are not applicable to the company.
  - (c) According to the information and explanations given to us and on the basis of our examination of the records of the company, the provisions stated under clause 3(i)(c) of the order are not applicable to the company.
  - (d) According to the information and explanation given to us and based on our examination of records, the provisions stated under clause 3(i)(d) of the order are not applicable to the company.
  - (e) According to the information and explanation given to us and based on our examination of records, the provisions stated under clause 3(i)(e) of the order are not applicable to the company.
- (ii) (a) According to the information and explanation given to us and based on our examination of records, the company does not own any inventory and therefore the provisions stated under clause 3(ii)(a) of the order are not applicable to the company.

- (b) During the year no working capital limit is sanctioned to the company from any bank, financial institution and therefore clause 3(ii)(b) is not applicable.
- (iii) The Company has not made any investment and has not granted any loans to companies, firms or other parties covered in the register maintained under section 189 of the Companies Act, 2013 ('the Act'). Thus, paragraph 3(iii) of the Order is not applicable.
- (iv) In our opinion and according to the information and explanations given to us, the Company has not made any loans, investments, guarantees and security where Section 185 or 186 is applicable. Thus, paragraph 3(iv) of the Order is not applicable.
- (v) In our opinion and according to the information and explanations given to us, the Company has not accepted deposit from the public. Thus, paragraph 3(v) of the Order is not applicable.
- (vi) As per information & explanation given by the management, maintenance of cost records has not been specified by the Central Government under sub-section (1) of section 148 of the Companies Act, 2013. Hence comment on maintenance of records is not applicable.
- (vii) (a) According to the information and explanation given to us and basis of our verification of records of the Company, undisputed statutory dues including Provident Fund, Employees' State Insurance, Income Tax, Goods & Service Tax, duty of Customs, Value added tax, Cess and other statutory dues have been regularly deposited with the appropriate authorities. According to the information and explanations given to us and verification performed by us, no undisputed amounts payable in respect of the aforesaid dues were outstanding

as at March 31, 2025 for a period of more than six months from the date of becoming payable.

- (b) According to our verification of records and information and explanations given to us, there are no statutory dues referred to in clause 3 (vii)(a) above which have not been deposited on account of any dispute.
- (viii) According to the information and explanations given to us, there are no transactions which are not accounted in the books of account which have been surrendered or disclosed as income during the year in Income-tax Assessment of the Company. Accordingly, the provision stated under clause 3(viii) of the Order is not applicable to the Company.
- (ix) (a) Based on our audit procedures and according to the information and explanations given to us, the Company has not defaulted in repayment of dues to financial institutions, banks and debenture holders.
  - (b) Based on the information and explanations obtained by us, the Company has not been declared wilful defaulter by any bank or financial institution or other lender and hence, reporting under clause 3(ix)(b) of the Order is not applicable.
  - (c) In our opinion and according to the information and explanations provided to us, money raised by way of term loans during the year have been applied for the purpose for which they were raised.
  - (d) According to the information and explanation given to us and based on our examination of records, funds raised on short- term basis have, prima facie, not been used during the year for long-term purposes by the Company. Accordingly, reporting under this clause 3(ix)(d) of the Order is not applicable.
  - (e) As per records produced and information available to us, the company has no subsidiary, associate company or joint venture during the year. Hence comments on clause 3(ix)(e) for taken loan from such entities & clause 3(ix)(f)

for raising loans on the pledging of securities of such entities are not applicable.

- (x) (a) In our opinion and according to the information and the explanations given to us, the Company has not raised any money by way of initial public offer during the year. Hence, reporting under clause 3(x)(a) of the order is not applicable to the company.
- (b) The company has made preferential allotment of Rs. 15,100 Lakhs on 30.05.2024 during the year. The requirement of section 42 and 62 of the Companies Act, 2013 have been complied with and the amount raised have been used for the purposes for which the funds were raised.
- (xi) (a) In our opinion and according to the information and explanations given to us, no fraud by the Company and no fraud on the Company has been noticed or reported during the year.
- (b) According to the information and explanation given to us and based on our examination of records, no report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and up to the date of this report.
- (c) We have been informed that there are no whistle blower complaints received by the Company during the year (and up to the date of this report). Accordingly, the reporting under the clause 3(xi)(c) of the Order is not applicable.
- (xii) The said company does not fall under the provisions of Nidhi Company. Thus, paragraph (xii) of the Order is not applicable.

- (xiii) As per the records obtained, all transactions with related parties are in compliance with sections 177 and 188 of the Companies Act, 2013 and details have been disclosed in the Financial Statements as required by applicable accounting standards.
- (xiv) (a) According to the information and explanation given to us and based on our examination of records, in our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.
- (b) We have considered, the internal audit reports of the company for the period under audit.
- (xv) As per the information obtained the company has not entered into any non-cash transactions with its directors or persons connected with its directors and accordingly, the requirement to report on clause 3(xv) of the Order is not applicable to the Company.
- (xvi) (a) As per the records obtained the, company is not required to be registered under section 45-IA of the Reserve Bank of India and accordingly, the requirements to report under clause 3(xvi) (a) of the Order is not applicable to the Company.
- (b) According to the information and explanations given to us and based on our examination of the records, the Company has not conducted any Non-Banking Financial or Housing Finance activities. Accordingly, paragraph 3(xvi)(b) of the Order is not applicable.
- (c) According to the information and explanations given to us and based on our examination of the records, the Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India, accordingly, paragraph 3(xvi)(c) of the Order is not applicable.

- (d) According to the information and explanations given to us and based on our examination of the records, there is only one core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause 3(xvi)(d) of the Order is not applicable.
- (xvii) The company has incurred cash loss of Rs 6,950.43 lakhs during the year under report on account of normal expenses incurred and Rs 95.02 lakhs in immediately preceding financial year. Based on our audit procedures and management representations, we have no material doubt on the Company's ability to continue as a going concern.
- (xviii) There is no resignation of the statutory auditor of the company during the year under report, hence comment under this clause is not applicable.
- (xix) On the basis of the financial ratios (as disclosed in note 18 to the financial statements), ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from

the balance sheet date, will get discharged by the Company as and when they fall due.

- (xx) Based on the records and information provided, the provisions of Corporate Social Responsibility (CSR) under Section 135 of the Companies Act, 2013 are applicable to the company for the financial year 2024-25 as it meets the prescribed criteria. However, since the company has incurred losses in the three immediately preceding financial years, the requirement to spend the prescribed amount is not applicable to the company. Accordingly, the reporting under clauses 3(xx)(a) and 3(xx)(b) is not applicable.
- (xxi) The Company does not have any subsidiaries, associates, or joint ventures as on the reporting date and accordingly, the requirements under clause 3(xxi) are not applicable.

## **Annexure 'B' to the Auditors' report**

### **Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Subsection 3 of Section 143 of Companies Act 2013**

We have audited the internal financial controls with reference to standalone financial statements of DME Development Limited (“the company”) as of 31st March, 2025 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

### **Management’s Responsibility for Internal Financial Controls**

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

### **Auditor’s Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over

financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

### **Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorization of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statement

## **Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the Institute of Chartered Accountants of India.

## **2. SUMMARY OF MATERIAL ACCOUNTING POLICIES**

### **2.1 Basis of preparation of financial statements**

#### **a) Statement of compliance**

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 read with Section 133 of the Companies Act, 2013.

In accordance with the notification issued by Ministry of Corporate Affairs, the Company has adopted the Indian Accounting Standard (referred to as Ind AS) notified under the Companies (Indian Accounting Standards) Rules 2015 with effect from 1 April 2017. Accounting policies have been applied consistently to all periods presented in these financial statements. The financial statements referred hereinafter have been prepared in accordance with the requirements and instructions of Schedule III to the Companies Act 2013, amended from time to time applicable to companies to whom Ind AS applies.

#### **b) Basis of preparation and presentation**

These Financial Statements have been prepared in accordance with Indian Accounting Standard (Ind AS) prescribed under Section 133 of Companies Act, 2013 (the "Act"), read with rule 3 of the companies (Indian Accounting Standards) Rules, 2015 and relevant amendments rules issued thereunder.

The Financial Statements have been prepared under the historical cost convention on the accrual basis except certain financial instrument which are measured at fair values, wherever applicable, at the end of each reporting period, as explained in the accounting policies below.

The Financial Statements are presented in Indian Rupees and all amounts disclosed in the financial statements and notes have been rounded off to the nearest Rs. In lakh (as per the requirement of Schedule III), unless otherwise stated.

The Balance Sheet and the Statement of Profit & Loss are prepared and presented in the format prescribed as per Schedule- III of the Companies Act. The cash flow statement is prepared and presented as per the requirements of Ind AS 7 of Cash Flow Statements.

Amount in the financial statements is rounded off to the nearest Indian Rupee per share data is to be presented in Indian rupees to 2 decimal places except otherwise stated

**c) Basis of measurement**

The financial statements have been prepared on an accrual basis as a going concern and under the historical cost convention, except for certain financial assets and financial liabilities if any that are measured at fair value at the end of each reporting date as required under relevant Ind-AS as explained in accounting policies. The company maintains its accounts in accordance with the Generally Accepted Accounting Principles in compliance with the provisions of the Companies Act 2013 and the applicable accounting standards as specified in the relevant provisions of the Companies Act'2013. Further, the guidance notes /announcements issued by The Institute of Chartered Accountants of India are also considered, wherever applicable except to the extent where compliance with other statutory promulgations override the same requiring a different treatment.

**2.2 Use of estimates and Judgments**

The preparation of the Financial Statements in conformity with the principles of Ind AS requires the management to make judgments, estimates and assumptions that effect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods. In particular, information about the significant areas of estimation, uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognized in the Financial Statements.

**2.3 Classification of assets and liabilities as current and non-current**

**i. An asset is classified as current when it satisfies any of the following conditions**

- It is expected to be settled in the company's normal operating cycle
- It is held primarily for the purpose of being traded
- It is due to be realized within 12 months after the reporting date or
- It is cash or cash equivalent unless it is restricted from being exchanged are used to set alarm to settle a liability for at least 12 months after the reporting date

All other assets are classified as non-current.

**ii. A liability is classified as current when it satisfies any of the following condition**

- It is expected to be settled in the company's normal operating cycle
- It is held primarily for the purpose of being traded
- It is due to be settled within 12 months after the reporting date or
- The company does not have an unconditional right to defer for settlement of the liability for at least 12 months after the reporting date. Terms of a liability that could at the opinion of the counterparty result in its settlement by the issue of equity instruments do not affect its classification.

All other liabilities are classified as non-current

**CIN: U45202DL2020GOI368878**

**Notes forming part of financial statements for the year ended 31st March 2025**

#### **2.4 Cash and cash equivalents (for purposes of the cash flow statement)**

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value. For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts (if any) as they are considered an integral part of the cash management.

#### **2.5 Revenue recognition**

Recognition of revenue from contracts with customers is as under:-

In consideration of the development of the project by way of concession granted by the NHAI under the Concession Agreement, DME DL shall be entitled to demand and collect Annuity payment from NHAI in the manner as stipulated in the Concession Agreement. Annuity payment has been started from NHAI starting from the month of September 2024.

Qualitative & Quantification of revenue in the form of annuity shall be required to be aligned with the repayment terms agreed with Lenders and servicing of accumulated debts (including interest thereon) and other incidental expenses during the construction and servicing period.

Revenue is measured at the fair value of consideration received or receivable. Amount disclosed as revenue are net of trade allowances, rate differences, rebates and service taxes/GST.

The company recognizes revenue when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the entity and specific criteria have been mapped for each of the company's activities as described below. The company bases its estimates on historical results, taking into consideration the type of customer, the type of transaction and specifics of each arrangement.

#### **Other operational revenue**

Other operational revenue represents income earned from activities incidental to the business and income is due when the right to receive the income is established as per the terms of the contract.

#### **Other income**

Interest income is recognized when it is probable that the economic benefits will flow to the Company and amount of income can be measured reliably. Interest income is included under the head "other income" in the statement of profit and loss.

#### **Subsequent expenditure**

Subsequent costs are to be included in the assets carrying amount or recognized as a separate asset as appropriate only when it is probable that future economic benefits associated with the cost incurred will flow to the company and the cost of the item can be measured reliably the carrying amount of any component accounted for as a separate asset is derecognized when replaced.

Items such as spare parts stand by equipment and services that will meet the definition of property plant and equipment are to be capitalized at cost and appreciated over their useful life.

The cost in nature of repair and maintenance expenses are to be charged to the statement of profit and loss during the reporting period in which they will incur.

7

## **2.6. Depreciation and Amortization.**

Depreciation is recognized so as to write off the cost of assets (other than land and properties under construction) less their residual values over their useful lives, using the straight-line method.

The estimated useful life is taken in accordance with Schedule II to the Companies Act, 2013, except in whose case the life of the assets has been assessed based on technical advice, taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, past history of replacement, anticipated technological changes, manufacturers warranties and maintenance support, etc.

The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

Toll road assets will be amortized on a pro-rata basis in proportion to the repayment of debt over the relevant remaining concession period.

## **2.7 Borrowing Costs**

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

## **2.8 Financial instruments**

### **Initial recognition**

The Company recognizes financial assets and financial liabilities when it becomes a party to the contractual provisions of the instrument. All financial assets and liabilities are recognized at fair value on initial recognition, except for trade receivables which are initially measured at transaction price. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities that are not at fair value through profit or loss, are added to the fair value on initial recognition.

### **Subsequent measurement**

#### **a) Non-derivative financial instruments**

##### **(i) Financial assets carried at amortized cost**

A financial asset is subsequently measured at amortized cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Interest income from these financial assets is included in the finance income using the effective interest rate (EIR) method. Impairment gain or loss arising on these assets are recognized in the Statement of Profit & Loss.

##### **(ii) Financial assets at fair value through other comprehensive income**

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and

selling assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Further, in cases where the Company has made an irrevocable election based on its business model, for its investments which are classified as equity instruments, the subsequent changes in fair value are recognized in other comprehensive income.

**(iii) Financial assets at fair value through profit or loss**

A financial asset which is not classified in any of the above categories are subsequently fair value through profit or loss.

**(iv) Financial liabilities**

**Initial Recognition**

Financial liabilities are classified, at initial recognition, as financial liabilities at FVPL, loans and borrowings and payables as appropriate. All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

**Subsequent measurement**

**Financial liabilities at FVPL**

Financial liabilities at FVTPL include financial liabilities held for trading and financial liabilities designated upon initial recognition as FVPL. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. Gains or losses on liabilities held for trading are recognized in the Statement of Profit and Loss.

Financial guarantee contracts issued by the Company are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts are recognized initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognized less cumulative amortization. Amortization is recognized as finance income in the Statement of Profit and Loss.

**Financial liabilities at amortized cost**

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortized cost using the EIR method. Any difference between the proceeds (net of transaction costs) and the settlement or redemption of borrowings is recognized over the term of the borrowings in the Statement of Profit and Loss.

Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included as finance costs in the Statement of Profit and Loss.

Where the terms of a financial liability are re-negotiated and the Company issues equity instruments to a creditor to extinguish all or part of the liability (debt for equity swap), a gain or loss is recognized in

**DME DEVELOPMENT LIMITED**

**Notes forming part of financial statements for the year ended 31st March 2025**

the Statement of Profit and Loss; measured as a difference between the carrying amount of the financial liability and the fair value of equity instrument issued.

#### **De-recognition of Financial Liabilities**

Financial liabilities are to be de-recognized when the obligation specified in the contract is discharged, cancelled or expired. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as de-recognition of the original liability and recognition of a new liability. The difference in the respective carrying amounts is to be recognized in the Statement of Profit and Loss.

#### **Off-setting financial instruments**

Financial assets and financial liabilities are to be off-set and the net amount is to be reported in the balance sheet if there is a currently enforceable legal right to off-set the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

#### **2.9 Fair value measurement**

The Company has to measure financial assets and financial liability at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, In the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participants' ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use. The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable. For assets and liabilities that are recognized in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the

hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

The Companies' Valuation team determines the policies and procedures for both recurring fair value measurement, such as derivative instruments and unquoted financial assets measured at fair value, and for non-recurring measurement.

#### **2.10 Provisions**

Provisions are recognised when the company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement. If the effect of the time value of money is material, provisions are discounted using a current pretax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

#### **2.11 Contingent liabilities**

Contingent liability is a possible obligation that rises from past events and the existence of which will be confirmed only by the occurrence or nonoccurrence of one or more uncertain future events not wholly within the control of the Group, or is a present obligation that arises from past event but is not recognised because either it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation, or a reliable estimate of the amount of the obligation cannot be made. Contingent liabilities are disclosed and not recognised.

#### **2.12 Taxes**

##### **a) Current tax**

Current tax expense is recognized in the Statement of Profit and Loss except to the extent that it relates to items recognized directly in equity, in which case it is recognized in other comprehensive income.

Current income tax for current and prior periods is recognized at the amount expected to be paid to or recovered from the tax authorities, using the tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date.

##### **b) Deferred tax**

Deferred income tax assets and liabilities are recognized for all temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements except when the deferred income tax arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profit or loss at the time of the transaction. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that is no longer probable that the related tax benefit will be realized.

Deferred income tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect of changes in tax rates on deferred income tax assets and liabilities is recognized as income or expense in

the period that includes the enactment or the substantive enactment date. A deferred income tax asset is recognized to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences and tax losses can be utilized. The Company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

### **2.13 Earnings per share**

Basic earnings per share are calculated by dividing the net profit and loss for the period attributable to equity shareholders of the Company (after deducting preference dividends and attributable taxes) by the weighted average number of equity and preference shares outstanding during the period. For the purpose of calculating diluted earnings per share, the net profit and loss for the period attributable to equity shareholders of the Company and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

### **2.14 Segment reporting**

Operating Segments are reported in a manner consistent with the internal reporting provided to the Chief Operating Decision Maker. The company has been set up to develop, establish, construct, operate and maintain a project relating to the construction, operation and maintenance of the Mormugao port connectivity project under the "Build-Operate-Transfer" (BOT) Basis and is operating in India, therefore there is one reporting segment only. Accordingly, no disclosure for segment reporting has been made in the financial statements as specified in Companies (Accounts) Rules, 2014.

### **2.15 Borrowings and other financial liabilities**

Borrowings and other financial liabilities are initially to be recognized at fair value (net of transaction costs incurred). Difference between the fair value and the transaction proceeds on initial recognition is recognized as an asset / liability based on the underlying reason for the difference.

Subsequently all financial liabilities are to be measured at amortized cost using the effective interest rate method

Borrowings are to be eliminated from the balance sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognized in statement of profit & loss. The gain / loss is to be recognized in other equity in case of transactions with shareholders.

Borrowings are to be classified as current liabilities unless the Company has an unconditional right to defer the settlement of the liability for at least 12 months after the reporting period.

### **2.16 Trade receivables**

A receivable is classified as a 'trade receivable' if it is in respect of the amount due on account of services rendered in the normal course of business. Trade receivables are recognized initially at fair value and subsequently measured at amortized cost less provision for impairment.

**CIN: U45202DL2020GOI368878**

**Notes forming part of financial statements for the year ended 31st March 2025**

### **2.17 Trade payables**

A payable is classified as a "trade payable" if it is in respect of the amount due on account of goods purchased or services received in the normal course of business. These amounts represent liabilities for goods and services provided to the Company prior to the end of the financial year which are unpaid. These amounts are unsecured and are usually settled as per the payment terms stated in the contract. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognized initially at their fair value and subsequently measured at amortized cost.

### **2.18 Expenditure**

Expenses are accounted for on accrual basis and provisions are made for all known losses and liabilities.

### **2.19 Background of the Company and status of projects**

The company was setup to Promote, Develop, Survey, Establish, Design, Construct, Equip, Operate, Maintain, Modify and Upgrade either alone or jointly with other companies or persons or any other entity, Infrastructure facilities and works in relation to the Delhi-Mumbai Expressway and of any other Highways / Expressways of all descriptions, including. NHA decided to implement the project through a SPV, therefore, the company (DMEDL) was formed on 29th August 2020, with the shareholding 100% of National Highways Authority of India (NHA).

The authority has resolved to develop the Delhi- Mumbai Expressway in two phases comprising of section from Delhi to Vadodara from Km. 0.000 to Km. 844.382 ("Phase I") and Vadodara to Mumbai from Km. 355.000 to Km. 26.582 of Main Expressway and 00.000 to Km. 79.783 of SPUR of Vadodara Mumbai Expressway by eight laning and SPUR to Delhi from Km. 00.000 to Km. 59.063 Km by six laning, on Engineering, Procurement Construction (the "EPC") basis for Phase I and Hybrid Annuity Model (HAM) for the remaining section (the Project) through DME Development Limited. However, till 31st March 2025, approx. 90% of physical progress and approx. 88% of financial progress have been achieved. Out of total length 1337 Km, 1164 Km has been completed. A concession agreement was entered between the Company and NHA which conferred the right to the company to implement the project and levy toll/user fee during the concession period after completion of construction.

**22. Financial risk management objectives and policies**

The Company's business activities are exposed to a variety of financial risks, namely market risks, liquidity risk and credit risk. The Company's senior management has the overall responsibility for establishing and governing the Company's risk management policy and framework. These are periodically reviewed by the senior management of the Company to identify and assess key risks and formulate strategies for mitigation of those risks.

**(a) Market risk**

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Such changes in the values of financial instruments may result from the changes in foreign currency exchange rates, interest rates and price risk. The Company is not exposed to any market risk due to non existence of any transaction in foreign currency.

**(i) Foreign currency exchange rate risk**

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Company is not exposed to the risk of changes in foreign exchange rates due to non existence of any transaction in foreign currency.

**(ii) Price risk**

The company is not exposed to price risk due to non existence of any investment in market.

**(iii) Interest rate risk**

Interest rate risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of change in market interest rates. The Company does not have any significant items related to interest rate risk therefore it is not impacted by interest rate risk.

**(b) Credit risk**

Credit risk is the risk of financial loss to the Company if a customer or counter-party fails to meet its contractual obligations.

**(i) Trade receivables**

Concentration of credit risk with respect to trade receivables are limited. All trade receivables are reviewed and assessed. Historical experience of the Company for collecting receivables is that credit risk is low. Refer note 2.16 for accounting policy on trade receivables.

Customer credit risk is being driven by Company's established policy, procedures and control relating to customer credit risk management. Credit quality of a customer is assessed based on an extensive credit rating scorecard and individual credit limits are defined in accordance with this assessment. Outstanding customer receivables are regularly monitored.

An impairment analysis is performed at each reporting date on an individual basis for major clients. In addition, a large number of minor receivables are grouped into homogenous groups and assessed for impairment collectively. The calculation is based on historical data of credit losses. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets disclosed in the notes. The Company does not hold collateral as security for the year ended 31st March 2025. Considering the nature of operations, the Company evaluates the concentration of risk with respect to trade receivables as low.

The management believes that the trade receivables of on 31 March 2025 are not subject to any credit risk. Accordingly, no credit losses are being accounted for.

**Notes to financial statements for the year ended 31st March, 2025**

(All amounts in INR Lakhs, unless otherwise stated)

**(ii) Other financial assets**

Credit risk from balances with banks and financial institutions is managed by the Company's treasury department in accordance with the Company's policy. Investments of surplus funds are made only with approved counterparties and within credit limits assigned to each counterparty. The limits are set to minimize the concentration of risks and therefore mitigate financial loss through counterparty's potential failure to make payments.

The Company's maximum exposure to credit risk for the components of the balance sheet at 31 March 2025 is the carrying amounts of balances with banks.

**(c) Liquidity risk**

Liquidity risk is the risk that the Company will face in meeting its obligations associated with its financial liabilities. The Company's approach in managing liquidity is to ensure that it will have sufficient funds to meet its liabilities when due without incurring unacceptable losses. In doing this, management considers both normal and stressed conditions.

The Company maintained a cautious liquidity strategy, with a positive cash balance throughout the year ended 31 March 2025. Cash flow from operating activities provides the funds to service the financial liabilities on a day-to-day basis.

The Company's treasury function reviews the liquidity position on an ongoing basis. The Company assessed the concentration of risk with respect to refinancing its debt and concluded it to be low.

The table below summarizes the maturity profile of the Company's financial liabilities based on contractual undiscounted payments.

Particulars	Carrying amount	Contractual cash flow	0-1 year	1-5 years	More than 5 years
<b>As at 31st March 2025</b>					
Borrowings	44,52,308.72	44,52,308.72	48,392.00	5,64,788.00	38,39,128.72
Other financial liabilities	17,188.49	17,188.49	17,188.49	-	-
Other current liabilities	4,25,767.53	4,25,767.53	4,25,767.53	-	-
<b>Total</b>	<b>48,95,264.74</b>	<b>48,95,264.74</b>	<b>4,91,348.02</b>	<b>5,64,788.00</b>	<b>38,39,128.72</b>

It is not expected that the cash flows included in the maturity analysis could occur significantly earlier, or at significantly different amounts.

**23. Contingent Liabilities**

No other provision is recognized for liabilities where future outcome cannot be ascertained with reasonable certainty. Such liabilities are treated as contingent and disclosed by way of Notes to the Accounts.

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, requires an outflow of resources. When there is possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

**24.** In view of the Circular No.150/06/2021-GST from Ministry of Finance, the outward supply of the Company is taxable as forward charges under the Central Goods and Services Tax'2017. Consequently, annuity received from NHAI is subject to Goods & Service Tax as forward charge as and when it accrues. Therefore, accumulation of the Input tax credit on inward supply being received by the company is being utilized against such duty on supplies.

**25.** The Management has reviewed various pending legal compliances during the FY 2024-25 and there are no such pending legal compliances.

**26.** In the opinion of the Management, Financial Instruments are stated at the value, which if realized, in the ordinary course of the business, would not be less than the amount mentioned.

**REPLY TO THE OBSERVATIONS OF STATUTORY AUDITOR**

<b>S. No.</b>	<b>Observations</b>	<b>Reply by Management</b>
1.	<p><b><u>Amortization of Financial Assets</u></b></p> <p>In accordance with the principles laid down under Ind AS 115 Revenue from Contracts with Customers and Ind AS 109 Financial Instruments, the Company is required to recognize a financial asset to the extent it has an unconditional contractual right to receive cash or another financial asset from, or at the direction of, the grantor in exchange for construction under a service concession arrangement. Such financial asset shall be initially recognized at its fair value and subsequently measured at amortized cost using the effective interest rate (EIR) method, as prescribed under Ind AS 109.</p> <p>However, it has been noted that the Company has not applied the EIR method for subsequent measurement and amortization of the said financial asset over its contractual term. As informed by the management, the amortization methodology and related accounting policy are yet to be finalized.</p> <p>In the absence of this information, we are unable to quantify the amount of amortization required or assess its potential impact on the Statement of Profit and Loss.</p>	<p>The amortization of the financial assets will hit the P&amp;L account by Approximately Rs 3309 Cr., Which will increase the Debt Equity ratio to 22.64:1, which is beyond 9:1. This will result in a breach of conditions of the contract executed with the Lenders and against the approval received from GOI. However, DMEDL has formulated a policy for amortisation of financial assets over its remaining useful life with keeping in mind debt equity ratio below 9:1 and same was also approved by the board through circular no. 05/2025-26 dt. 04/09/2025. Accordingly, the amortization has been started effecting from FY 2025-26.</p>
2.	<p><b><u>Borrowing Cost</u></b></p> <p>In accordance with the provision of paragraph 22 of Appendix C of Ind AS 115 and in line with Ind AS 23, the borrowing cost attributable to the arrangement shall be recognized as an expense in the period in which it is incurred unless the operator has a contractual right to receive an intangible asset (a right to charge</p>	<p>The present treatment of interest cost on the borrowing by DME DL is capitalized till the start of annuity (i.e., September 2024) as DME DL is required to maintain Debt-Equity ratio of a maximum 9:1. The interest on borrowings from April 2024 to till the start of annuity was Rs. 1,234.90 Cr., whereas total interest on borrowings made till 31.03.2025 amounts to Rs.</p>

<p>users of the public services). Hence, the cost incurred on borrowing the loan needs to be charged to the Profit &amp; Loss account instead of being capitalized.</p> <p>However, the Company has capitalized borrowing costs amounting to Rs. 6,94,075.17 lakhs incurred up to August 2024 as part of the carrying amount of the financial asset recognized under the DME project. The capitalization of such borrowing costs is not in compliance with the above-stated accounting standards, as the Company does not have a right to charge users but instead receives annuity payments from NHAI. We further note that annuity payments commenced from September 2024, and borrowing costs incurred thereafter have been appropriately expensed to the Statement of Profit and Loss.</p> <p>The management is of the view that the capitalization of borrowing costs is consistent with the Company's contractual rights and obligations under the DME project and in compliance with applicable Ind AS. However, in our opinion, the capitalization of borrowing costs up to August 2024 is not in accordance with the requirements of Ind AS 115 and Ind AS 23. Had the Company expensed such borrowing costs, the financial asset and retained earnings as at March 31, 2025, would have been lower by Rs. 6,94,075.17 lakhs, and loss for the year would have been higher by the corresponding amount.</p>	<p>3,513.89 Cr. If the interest on borrowings till the start of annuity was charged to the P&amp;L account, the net loss till 31.03.2025 amounting Rs 965.26 Cr. This will result in a debt equity ratio to 10.08:1 which is beyond 9:1. Therefore, to comply with the agreement executed with the Lenders, the present treatment of capitalizing the interest till the start of annuity is being followed. (However, after the start annuities i.e., from September 2024 onwards, DMEDL has started charging interest on borrowing cost to the P/L Account.</p>

**COMMENTS OF THE COMPTROLLER AND AUDITOR GENERAL OF INDIA  
UNDER SECTION 143 (6) (b) OF THE COMPANIES ACT, 2013 ON THE FINANCIAL  
STATEMENTS OF DME DEVELOPMENT LIMITED FOR THE YEAR ENDED 31  
MARCH 2025**

The preparation of financial statements of DME Development Limited for the year ended 31 March 2025 in accordance with the financial reporting framework prescribed under the Companies Act, 2013 (Act) is the responsibility of the management of the company. The statutory auditor appointed by the Comptroller and Auditor General of India under Section 139 (5) of the Act is responsible for expressing opinion on the financial statements under section 143 of the Act based on independent audit in accordance with the standards on auditing prescribed under Section 143 (10) of the Act. This is stated to have been done by them vide their Revised Audit Report dated 07 October 2025 which supersedes their earlier Audit Report dated 06 August 2025.

I, on behalf of the Comptroller and Auditor General of India, have conducted a supplementary audit of the financial statements of DME Development Limited for the year ended 31 March 2025 under Section 143 (6) (a) of the Act. This supplementary audit has been carried out independently without access to the working paper of the statutory auditor and is limited primarily to inquiries of the statutory auditor and company personnel and a selective examination of some of the accounting records.

On the basis of my supplementary audit nothing significant has come to my knowledge which would give rise to any comment upon or supplement to statutory auditors' report under section 143(6)(b) of the Act.
